

CHB Curriculum Map for Year 1 Autumn Term

English

18 Lessons

Enjoying listening to stories about...
Magical Journeys

The majority of the curriculum time in Year 1 is focused on learning through English, enabling children to master the language skills through high quality literature and interesting topics that develop their understanding of the world around them.

Learning to Read & Write
Children learn to read using the *Read Write Inc* phonics programme. Homework is centred on reading regularly and we have designed *CHB Reading Logs* to establish the reading routine and set up a dialogue between the teacher and parents.

Expected autumn term reading level: Oxford Reading Tree Stage 4

Reading assessment: based on the Oxford Reading Tree Book level and a short standardised end of term *Reading Comprehension Test*.

Writing assessment: based on independent writing and a short standardised end of term Grammar, Spelling and Punctuation Test.

Maths

5 Lessons

Busy Ant Maths (Collins)

numbers to 20
addition & subtraction to 15
2-d shapes
coins
measuring height & length
mathematical signs & vocabulary

CHB has a subscription to Numbots numbots.com/ to help children practise their addition and subtraction in a fun and collaborative way! Ask for the password.

Assessment: end of unit tasks to check children's understanding. These tasks are used to calculate the end of term report score.

Spanish

5 Lessons

Libro Aprendemos Español en Infantil Libros 3-4

Continuous Assessment

Science

2 lessons

Cambridge Primary Science Living Things Sound

Assessment: an end of unit test completed every half term.

Sport

 Where's My Dog?
 Good Manners

Assessment:
 an end of term test.

Times Tables

1 lesson

To develop speed and accuracy in learning multiplication tables.

Computing

1 lesson

Robot Algorithms / Pictograms

Assessment: children graded against a set of skills demonstrated during lessons.

Art

1 lesson

Recreating nature through a range of different mediums

Assessment: children graded against a set of skills demonstrated during lessons.

Music

1 lesson

Learning how to play musically & develop an understanding of musical composition.

Assessment: children graded against skills demonstrated in class.

CHB Curriculum Map for Year 2 Summer Term

An Introduction to the Incredible World of Roald Dahl!

Children will be introduced to some of the iconic stories of important children's author Roald Dahl; drawing ideas from his absorbing fantasy worlds and unique way with language. Alongside this, they will read a range of nonfiction including the *Biography of Roald Dahl* by *Andrea Shavick* and poetry linked to the unit's themes. This high quality literature is used to stimulate and scaffold children's writing in a range of genres throughout the term now that they are able to write at greater length.

Main writing focus this term: fiction (magical adventure stories)

English
13 lessons

Independent Reading

Homework is centred on reading regularly and broadly. *CHB Reading Logs* are used to track progress and as a focus for in-class discussion when the teacher reads with the child.

Expected summer term reading level: Oxford Reading Tree Stage 10

Assessment: a standardised end of term *Reading Comprehension* and *Writing Test* based on the skills and genre explored over the term.

Spanish
5 lessons

Libro 1º Primaria del Colegio
Units 9 to 12

Assessment: an end of unit test completed every half term. This informs the termly report score.

Units 7 & 8
Family Activities, Doing Words

Assessment: an end of term test.

Chinese 1 lesson

My Family
On the Farm
The Sky
My Body

Assessment: an end of term test.

Times Tables
1 lesson

To develop speed and accuracy in learning multiplication tables.

Computing 1 lesson

Digital Music / Programming Quizzes

Assessment: children graded against a set of skills demonstrated during lessons.

Art 1 lesson

Up-cycling & finding new ways to reuse artistically

Assessment: children graded against a set of skills demonstrated during lessons.

Music
1 lesson

Learning how to play musically & develop an understanding of musical composition.

Assessment: children graded against skills demonstrated in class.

CHB Curriculum Map for Year 2 **MATHS**

5 lessons a week (with an additional weekly *Times Tables* lesson)

In **Busy Ant Maths (Collins)** there are 12 units that last approximately 2-3 weeks each.

Unit 1 Number & place value Addition & subtraction Geometry: properties of shapes	Unit 2 Addition & subtraction Measurement: length & height	Unit 3 Number: multiplication & division (including number & place value) Geometry: position & direction
Unit 4 Number: multiplication & division Fractions Measurement: time	Unit 5 Number & place value Addition & subtraction (money) Geometry: properties of shapes	Unit 6 Number: multiplication & division (including number & place value) Measurement: mass
Unit 7 Addition & subtraction (including measurement: money) Statistics	Unit 8 Number: multiplication & division Fractions Measurement: volume & capacity	Unit 9 Number & place value Addition & subtraction Geometry: position & direction
Unit 10 Number: multiplication & division (including number & place value) Measurement: including temperature	Unit 11 Number: addition & subtraction Statistics	Unit 12 Number: Multiplication & division Fractions Measurement: time

Note: children are expected to be able to recall all multiplication and division facts for multiplication tables 2, 5, and 10 by the end of Year 2 (and all up to the 12 times table by the end of Year 4)

CHB purchase a subscription to Times Tables Rock Stars trockstars.com and Numbots numbots.com to help children practise their mental maths skills in a fun and collaborative way!

Assessment: at the end of each weekly maths topic, children complete a short assessment to see which skills they have mastered. The end of term report score is calculated on an average of these mini-assessment scores.

CHB Curriculum Map for Year 3 Autumn Term

My Writing Checklist

1. CL and FS! ? * , ' ,
2. Commas in a list
3. 'a' and 'an' used correctly

Weather

Seeing The Doctor

Assessment: an end of term test.

Art 2 lessons

Famous buildings
Andy Warhol, Roy Lichtenstein & Pop Art
One-point Perspective

Assessment: children graded against a set of skills demonstrated during lessons.

Music 1 lesson

Learning how to play musically & develop an understanding of musical composition.

Assessment: children graded against skills demonstrated in class.

Computing 1 lesson

Photo Editing / Repetition in Games

Assessment: children graded against a set of skills demonstrated during lessons.

CHB Curriculum Map for Year 4 **MATHS**

5 lessons a week

In **Busy Ant Maths (Collins)** there are 12 units that last approximately 2-3 weeks each.

Unit 1 Number & place value Addition & subtraction Geometry: properties of shapes	Unit 2 Number: multiplication & division Fractions Measurement: position & direction	Unit 3 Number: addition & subtraction Decimals Measurement: mass
Unit 4 Number: multiplication & division Measurement: time	Unit 5 Number & place value Addition & subtraction Geometry: properties of shapes	Unit 6 Number: multiplication & division Fractions Measurement: length
Unit 7 Addition & subtraction Statistics	Unit 8 Number: multiplication & division Decimals Measurement: perimeter & area	Unit 9 Number & place value Addition & subtraction (& money) Geometry: properties of shapes
Unit 10 Number: multiplication & division Fractions Measurement: volume & capacity	Unit 11 Number: addition & subtraction Decimals Geometry: position & direction	Unit 12 Number: Multiplication & division Statistics

Note: children are expected to be able to recall all multiplication and division facts for multiplication tables up to 12 x 12 by the end of Year 4.

CHB purchase a subscription to Times Tables Rock Stars trockstars.com and Numbots numbots.com to help children practise their mental maths skills in a fun and collaborative way!

Assessment: at the end of each weekly maths topic, children complete a short assessment to see which skills they have mastered. The end of term report score is calculated on an average of these mini-assessment scores.

CHB Curriculum Map for Year 5 Autumn Term

My Writing Checklist

1. CL FS!?, () - " " " "
2. Sentences with relative clauses: who, which, what, that. E.g. the table that is made of oak is now black with age
3. Adverbs/adverbials, prepositions and conjunctions
4. Expanded noun phrases and interesting vocabulary
5. Modal verbs, e.g. might, could, should, will, must
6. Paragraphs (topic sentence and supporting details)
7. Pronouns and nouns for cohesion: she, Sally, her
8. Cohesion within and between paragraphs: then, after, although, meanwhile, firstly, had been
9. Joined handwriting and correct spellings

English

8 lessons

Our Mysterious Planet

Children will read *The Story of the Blue Planet* by *Andri Snaer Magnason* alongside a range of poetry and nonfiction texts inspired by the book's themes. They will write in a range of different genre with a focus on more formal, nonfiction styles such as scientific report writing where they will learn to write for different audiences and purposes.

Independent Reading

Homework is centred on reading regularly and broadly. *CHB Reading Logs* are used to track progress and as a focus for in-class discussion when the teacher reads with the child.

Expected autumn term reading level: Oxford Reading Tree Stage 15+

Assessment: a standardised end of term *Reading Comprehension* and *Writing Test* based on the skills and genre explored over the term.

Spanish

5 lessons

Mundos fantásticos

Hogar verde hogar

Pequeña presidenta

Assessment: each unit lasts for 3 weeks. At the end of the unit, children complete an end of unit task. These tasks inform the end of term report score.
